HIRING PERSONS WITH DISABILITIES

WHAT IT DOES FOR YOUR COMPANY?

New talent source opens up new markets for businesses

Creates Empathetic & Supportive Workforce

An inclusive culture also translates to greater retention of employees acquiring a disability, thus **reducing recruitment and training cost**

Fosters Innovation & Creativity

Workforce diversity **prevents groupthink** through **alternative perspectives** from persons with disabilities

New Talent Source

An untapped pool with skills and **valuable traits**

Opens New Markets

Broader service range through accessible services, hence, **enhancing company's branding and profitability**

Improves Facilities for All

Accessible facilities (e.g. auto doors, uncluttered walk ways) meant for persons with disabilities can **benefit all employees**

Contact SG Enable for hiring and retaining persons with disabilities; including on-site job support for every employee with disability.
